Have you seen anything like this before?
A traditional Japanese house appears inside the bus!

Welcome aboard, ladies and gentlemen.

Thank you for using #iyabus.

My name is Kakako Iya, a tour guide for iyabus.

I am from Kakashi-no-sato (so called village of Scarecrow). It is in the 800-meter high mountain settlement of Nagoro in Miyoshi City, Tokushima Prefecture.

Enjoy great nature, culture and food of my hometown Miyoshi City, as much as you can.

My best friends always come and visit iyabus, and there's my grandma's house in the very back of the bus. Let's enjoy taking pictures and more together!
